

AnythingGoez

One person's clutter is another person's treasure.

A free gift for anyone who loves the hunt — simple ways to find more, pay less, and turn a hobby into a little extra income.

Genuine Goodwill

Q. How do I know what something's worth?

A. Check recent sold prices — the market sets value, not hope.

Q. Can I really make money at this?

A. Yes, steadily, if you treat it like a craft: learn, buy smart, sell clean.

Q. Where do the best finds come from?

A. Patience and relationships — the regulars get first look.

CYNDEE'S CURE

Tempted to overpay because you 'have to have it'? Walk away and breathe. There's always another deal. The discipline to pass is exactly what makes the next find profitable.

BRETT'S BEST

Niche down and own it. The person who knows one category cold beats the person who dabbles in ten. Depth is where the money and the fun both live.

Ask Yourself

- What do you already know more about than most people?
- What's in your home that someone else would treasure?
- What category would you love to master?

Give or receive — either direction, always from the heart. We're glad you're here.
