

Revelation Shekinah Glory

What you're searching for isn't out there — it's up there.

You carry more than you say out loud. This is a free gift from our family to yours — simple, practical, and meant to help you take one real step closer to God today. No strings, no ask.

Gifted Gifts

- Pray in one honest sentence — no fancy words, just real ones.
- Put one verse on your lock screen; you'll read it 80 times today.
- Two-minute gratitude before your feet hit the floor.
- Text one friend a verse — faith shared is faith doubled.
- Swap ten minutes of scrolling for ten minutes of stillness.

Trade Tricks

- Read it slower; one verse you live beats ten you forget.
- Keep a short list of answered prayers — gratitude grows faith.
- End the day naming one thing God did — you'll see more of them.

CYNDEE'S CURE

Feeling distant from God? Don't fix it all at once. Pick one small daily habit — a verse, a prayer, a thank-you — and keep it for a week. Closeness comes from consistency, not intensity.

BRETT'S BEST

Stop waiting to feel ready. The people who grow the most are the ones who serve before they think they're qualified. Say yes to the small thing in front of you.

Consider these our gift to you — freely given, no strings. If they helped, there's more waiting when you're ready.
