

Revelation Shekinah Glory

Lives are changed where the work actually happens.

Most people underestimate the power of simple actions performed consistently over time. Every conversation, introduction, follow-up, post, prayer, appointment, and act of service creates momentum. Frontline Friendlies are the people who help the mission reach the world.

Who We Are

Revelation Shekinah Glory exists to help people grow closer to the Trinity through faith, service, community, leadership, and spiritual growth. The mission is simple: reach people and change lives.

Your Role

As a Frontline Friendly, you help carry out the day-to-day work that moves the mission forward — outreach, relationship building, promotion, support, fundraising, prayer support, appointments, referrals, content sharing, or commission-based opportunities. You're often the first connection people have with the mission. Not a paid employee position — a place to make a real difference.

The Bigger Picture

Imagine helping thousands of people strengthen their faith, discover purpose, serve others, and grow closer to God. Some people consume. Some people contribute. A few people help build.

THE FINAL THOUGHT

The question isn't whether God can do something meaningful through your life. The question is whether you're willing to say yes.
