

You Are Excellent

Lives are changed where the work actually happens.

Most people underestimate the power of simple actions performed consistently over time. Every conversation, introduction, follow-up, post, prayer, appointment, and act of service creates momentum. Frontline Friendlies are the people who help the mission reach the world.

Who We Are

You Are Excellent exists to move people from stuck to strong — helping individuals, teams, and leaders pursue excellence in work and in life. The mission is simple: reach people and change lives.

Your Role

As a Frontline Friendly, you help carry out the day-to-day work that moves the mission forward — outreach, relationship building, promotion, support, fundraising, prayer support, appointments, referrals, content sharing, or commission-based opportunities. You're often the first connection people have with the mission. Not a paid employee position — a place to make a real difference.

The Bigger Picture

Imagine helping thousands of people rise above average and become who they were designed to be. Some people consume. Some people contribute. A few people help build.

THE FINAL THOUGHT

The question isn't whether you're capable of more. The question is whether you're willing to go after it.
